

Ford

ANNOUNCEMENT

Mr. Edsel Ford, president of the Ford Motor Company, gives the following statement:

"Another reduction has been made in the list price of types of Ford cars and the Ford truck to take effect immediately. The list prices, f. o. b. Detroit, are now as follows:

Touring Car	\$415
Coupe	695
Chassis	345
Tractor	625

"The big reductions last fall were made in anticipation of low material costs which we are now getting the benefit of, and this fact together with increased manufacturing efficiency and the unprecedented demand for Ford cars, particularly during the past three months permitting maximum production, have made another price reduction possible immediately.

"Ford business for April and May 1921 was greater than for any other two months for the same two months in 1920, so that our output has been limited, not by unutilized plant but by manufacturing facilities.

"During May we produced 101,424 Ford cars and trucks for sale in the United States alone—the biggest month in the history of our company—and our factories and assembly plants are now working on a 4000 car daily schedule for June.

"The Fordson tractor is still being sold at less than cost to produce on account of the recent big price reductions, and it is impossible, therefore, to make any further cut in the price of the tractor."

"Can you afford to go without a car any longer when Ford cars are at these new low prices? There is no reason now why you should not purchase a Ford car, Ford truck, or Fordson tractor. We will gladly advise you concerning the delivery of a Ford tractor or the particular type of car in which you are interested. Phone us or drop us a card."

Are You in DANGER!

If you are in the habit of keeping money or valuables on your person or about your house, you are certainly in danger.

You are in danger not only of being robbed, but of having some worse fate befall you. There are, sad to say, those who would not hesitate to commit murder, if necessary, to expedite a robbery that they have planned.

You will be safer and your money certainly will, if it is deposited in bank. We not only offer you 100% safety, but will add 4 per cent interest to your balance each year.

As to your valuables, you can rent a safe deposit box in our vault in which they, too, will be really safe.
